

FINAL ENTRY PACKET

Welcome to the 2026 USRowing Northwest Youth Championships!

USRowing and the Portland Vancouver Rowing Association are excited to present the 2026 USRowing Northwest Youth Championships! This event provides crews from the region with the opportunity to qualify for the 2026 USRowing Youth National Championships.

Please review this packet carefully, as it contains essential information about entries, rules, events, Youth Nationals qualification criteria, eligibility, and the policies governing this regatta.

USRowing would like to thank PVRA and the Northwest Youth Coaches Council for their guidance in organizing this year's event.

Be well and row fast,
USRowing

NOTE: Sections marked with an asterisk (*) have wording unique to the specific Youth Series event.

NOTE: This entry packet was posted for comment to all USRowing members from December 1-31st.
The final entry packet was posted on February 2, 2026.

***INCLEMENT WEATHER INFORMATION**

USRowing, Chief Referee, Northwest Youth Council Representatives and Local Organizing Committee will work together to monitor the weather continuously during the regatta.

Should it be determined that schedule changes are necessary due to weather concerns, the below weather plans will be utilized.

HEAT SAFETY GUIDELINES

USRowing is pleased to announce that we have developed [Heat Safety Guidelines](#) to help identify and mitigate heat illness risk in our sport. The guidelines were developed from the World Rowing Heat Safety Guidelines, the recommendations of the Stringer Institute, and with the USRowing Medical and Safety Committees. All USRowing Owned regattas will follow these guidelines.

Click [HERE](#) for the USRowing Heat Safety Guidelines that will govern this event.

COMMUNICATION PLAN

Weather-related schedule changes will be announced utilizing the following mediums:

- Announcement will be made on the public address system at the venue.
- Online via [RegattaCentral](#).
- Via text message. More information on this will be provided in April 2026.

Crews are responsible for staying updated on all announced schedule changes.

SCHEDULE CHANGE PRIORITY SYSTEM

1. Delay racing either later the same day, to the next day, or move racing from Sunday to Saturday if time is available.
 - a. If racing is to be moved from Sunday to Saturday, the announcement must be made by Friday at 9:00 p.m.
2. Begin racing earlier than previously announced. Announcement will be made no later than 9:00 p.m. the evening before in the case of morning racing.
3. Cancel some or all non-Youth National Championship qualification events. Cancellation priority will be:
 - a. Non-Youth National Championship qualification events that have completed at least one round of racing.
 - b. Non-Youth National Championship qualification events that have not completed at least one round of racing.
4. Omit a round of the event. The composition of the next round will be determined on the basis of the results of those rounds that have been completed.
 - a. If Grand Finals must be omitted, medals and Youth National Championship bids will be awarded based on the results and placement from the time trial.
5. Cancel Youth National Championship qualification events that have completed at least one round of racing.
6. Cancel regatta.

Under no circumstances will races be rescheduled for a date later than May 17, 2026.

REGISTRATION INFORMATION

USROWING MEMBERSHIP

All U.S. based organizations must hold active organizational membership in good standing. For more information on Organizational requirements, visit our website [HERE](#). Organizations can review their team accounts [HERE](#) using their RegattaCentral username and password.

For individuals to be compliant and eligible to compete in USRowing owned events, all the following criteria must be met:

- An active USRowing Championship Membership
- Current signed USRowing Membership Agreement and Waiver
- Completed SafeSport Self-Attestation (if 18 or older)
- Current with SafeSport training if required to complete training

Competitors can renew an expired membership or check their current membership status by logging in to their member profile [HERE](#). For more information on the compliance requirements, visit our website [HERE](#).

To avoid delays at registration, teams should make sure all competitors have met these membership requirements prior to arriving at the event.

Checking Your Roster: A current listing of your athletes, their member numbers, expiration dates, and SafeSport Training status can be found on the online team roster through the USRowing Membership Portal [HERE](#).

United We Row Support: If you have athletes who are in need of financial assistance for the membership requirement, please apply for a Bridge Membership or United We Row scholarship [HERE](#).

COACHES AND SUPPORT STAFF:

All coaches and support staff attending the regatta must be registered for the regatta and meet their role-based compliance requirements below to ensure the safety of all participants. To register attending coaches and support staff, log into RegattaCentral [HERE](#), select the USRowing Championship Regatta, and click Coaches & Support Staff from the sidebar menu. When prompted, select your team and search for the respective coaches and support staff to register from your roster.

COACH COMPLIANCE REQUIREMENTS

- An active USRowing Membership (Basic or higher tier)
- Current signed USRowing membership agreement and waiver.
- Completed SafeSport self-attestation.
- Current with SafeSport Training.
- Cleared and current USOPC approved background check through NCSI.
- Level 1 coaching certification at the minimum.
- Completed boater safety self-attestation and documentation if required.
- Current CPR and first aid training.

SUPPORT STAFF COMPLIANCE REQUIREMENTS

- An active USRowing Membership (Supporter or higher tier)
- Current signed USRowing membership agreement and waiver.
- Completed SafeSport self-attestation.
- Current with SafeSport Training.

In compliance with USRowing regulations, organizations participating in USRowing owned and/or sanctioned events may undergo random selection for audit. This audit will focus on ensuring that all adult participants with the organization have completed necessary SafeSport training and have current USOPC approved background checks if required by USRowing policies.

VOLUNTEER POLICY

***Please note the Northwest Youth Championships Volunteer Policy differs from and overrides the USRowing Volunteer Policy.**

Volunteering is a great way for parents and athletes to support their teams while getting a front row seat to the action!

NEW for 2026! The Local Organizing Committee requests each club to provide a minimum of 2 volunteers each day. Without volunteers these regattas can not be run successfully. Please help us by ensuring that your club provides the support our athletes need. Volunteers are provided food and drinks for their 4–6-hour shift.

Local clubs, please ask that your athletes sign up to help with teardown on Saturday afternoon/evening. Thank you!

VOLUNTEER FEE

The Local Organizing Committee will implement a \$10 volunteer fee per athlete, which will be collected through **RegattaCentral** at time of registration. Teams have the opportunity to recoup this fee by volunteering at the regatta, with each hour of volunteer service contributing funds back to their club.

SAFESPORT

The physical and psychological well-being of all Participants is a priority for USRowing, and education is critical to prevent the harm that misconduct causes our members. In partnership with the U.S. Center for SafeSport, USRowing provides training on how to identify and prevent the various forms of misconduct, all Adult Participants within the Olympic & Paralympic Movement who have **(i)** Regular Contact with amateur athletes who are a minor, **(ii)** authority over amateur athletes who are a minor, or **(iii)** are employees or board members of USRowing or Member Organizations as well as **(iv)** adult athletes who have regular contact with amateur athletes who are a minor are required to take the SafeSport Trained Core course or its relevant refresher training on an annual basis. If an Adult Participant has not completed the SafeSport training that they are required to prior to attending a regatta, the Participant will not be allowed to participate.

As a member organization of the U.S. Olympic & Paralympic Committee (USOPC), USRowing and USRowing Member Organization's members, employees, contractors, volunteers, officials, board members, committee members and other designees (collectively "Participants") are required to comply with the U.S. Center for SafeSport Code of the U.S. Olympic and Paralympic Movement.

As a registered Participant in a USRowing event, you are required to adhere to **USRowing's Abuse Prevention and Response Policy**. Additionally, reporting misconduct is vital to protecting athletes and preventing further incidents. Sexual Misconduct must be reported to the U.S. Center for SafeSport at <https://www.safesport.org/report-a-concern>. To report other forms of misconduct, including violations of the Athlete Abuse Prevention Policies, refer to the **reporting protocols, including how to report a violation**.

IMPORTANT: All Adult Participants who are required to take SafeSport Training must complete the applicable training and be in good standing by the start of the regatta.

Click **HERE** for the Athlete Safety Procedures for USRowing Event Organizers.

Click **HERE** for information regarding USRowing's Abuse Prevention and Response Programs.

CREDENTIALS

A coach or team representative may pick up the credentials for their team onsite at registration. Regatta registration fees must be paid in full prior to credential distribution. Credentials will be withheld for any noncompliant athletes, coaches, or support staff and can be picked up at registration once compliance is met.

Athletes, Coaches, and Support Staff will be required to show credentials in order to pass through Control Commission and launch for racing sessions. Crews may not be able to launch without showing proper credentials. Credentials can be worn on either wrists or ankles.

***ENTRY INFORMATION**

Entries in each event will be accepted on a first-come, first-served basis.

No paper entries will be accepted for this event. All entries must be made online on **RegattaCentral**. Standard registration will be available beginning March 9, 2026 and ending May 5, 2026. No refunds will be given once the initial registration period has ended.

All crews/teams, both unaffiliated and those representing an organization, with an outstanding balance will not be allowed to compete at a USRowing owned or sanctioned regatta until the balance is paid in full.

ENTRY FEES

Entry fees for the 2026 USRowing Youth Series will be per-athlete rather than per-boat entry. Athletes will be charged once for the entire regatta, not by the number of events they are entered in.

Any athlete receiving waived or discounted USRowing Championship membership fees through our Bridge membership programs will not pay entry fees to participate in the 2026 USRowing Youth Series.

All late entries will be charged an additional \$50 per boat during the late entry period.

2026 USRowing Northwest Youth Championships - Entry Fee	\$85 per athlete/coxswain
2026 USRowing Northwest Youth Championships - Late Fee	\$85 per athlete/coxswain + \$50 fee for a late boat submitted.

***ENTRY LIMITS**

Each organization may enter up to two entries in Youth National Championship qualifying events. **With the exception of the Youth 8+, Youth 2v8+, Youth 4x, and Youth 2v4x events, only one entry per club is permitted in each event.**

For non-Youth National Championship qualifying events, please see the per club entry limits below:

- **2V and Novice Non-Qualifying Events** - Two (2) Entries Per Club
- **3V and 4V Non-Qualifying Events** - Unlimited Entries Per Club

An organization's top crew should be designated as its "A" entry. Organizations submitting multiple entries should designate their second crew as its "B" entry. This is important for seeding purposes.

Athletes are eligible to compete in a maximum of two (2) events. Coxswains are NOT limited in the number of events they may enter; however, they must meet all appropriate eligibility and classification requirements for each event being entered.

***LATE ENTRIES**

Late entries will be accepted from May 12-13, 2026 on **RegattaCentral**. A late entry fee will be assessed to all late entries. Entries will be accepted in events where additional entries do not change the progression or exceed any listed entry maximums.

Crew members for late entries must meet all membership and eligibility requirements, and payment must be made in full before a late entry may be placed into an event.

***SCRATCHES**

Entries may be scratched without penalty until the end of the initial registration period on May 5, 2026.

Beginning May 6, 2026, no refunds will be given for entries that are scratched.

Scratches must be made on **RegattaCentral** until May 5, 2025. After this time, scratches must be made in person at the regatta site in order to avoid the additional "No Show Fee".

A \$50 scratch fee will apply to all scratches made after **RegattaCentral closes for scratches on May 5, 2026.**

Any crew failing to submit a completed "Scratch Form" to the USRowing desk after USRowing one hour prior to the event race time, will also be subject to a \$100 "No Show Fee" along with any other applicable fees.

All fees are due at the time of the scratch. Crews from an organization with outstanding "Scratch" or "No Show" fees may be prevented from competing until outstanding fees are paid in full.

***LINEUPS & LINEUP CHANGES**

All entries must include a full lineup of athletes to compete as part of that entry, at the time of registration on [RegattaCentral](#). **The deadline for submitting the final identity of members of the crew for ALL entry lineups must be finalized by May 13, 2026.**

Any entry without lineups after the regular entry deadline will be treated as a late entry. Lineups with placeholder names such as "A. Rower" will be considered incomplete and will also be considered late entries. This means they are subject to "Late Entry" fees, and the entry restrictions associated with late entries. Along with the late entry fees, these crews may face an additional charge for printing corrected credentials on-site.

Any lineup changes needed after May 13, 2026 must be completed at the USRowing registration desk one hour before the first race in the event. Email lineup changes will not be accepted.

***ON-SITE LINEUP CHANGES**

Any lineup change required at the USRowing registration desk will be subject to a \$5 administrative fee for processing the request. Payment is due before a lineup change can be officially made.

ENTRY FEE REIMBURSEMENTS

After the standard entry period closes, no refunds will be given in any circumstances.

***ACADEMIC SUBSTITUTION POLICY**

To support student-athletes facing academic conflicts, USRowing and the Northwest Youth Coaches Council allow athletes to request substitution through the Academic Substitution Form for the USRowing Northwest Youth Championships.

An academic conflict is defined as a mandatory, school-scheduled examination or standardized test (e.g., AP exams, IB testing, state or national exams) that cannot be rescheduled by the student-athlete.

The Academic Substitution Form must be submitted no later than April 24, 2026, by the organization's coach or a designated club administrator. To access the form, please click [HERE](#).

NOTE: Each submission must include a letter of verification from a school official confirming the date and time of the academic commitment. All Academic Substitution Forms will be reviewed by the Northwest Youth Coaches Council. If additional information or clarification is needed, the coach or administrator will be contacted directly by a Northwest Youth Coaches Council representative.

Substitutions are permitted only for Friday's Time Trials, and no more than 50% of a lineup may be replaced. **Any substituted athlete(s) must meet all eligibility and entry limit requirements outlined in the entry packet for this regatta.**

Late submissions will not be accepted. Once event progression has begun, any substitution request submitted without an accompanying academic substitution form must meet all requirements outlined in USRowing Rules of Rowing, **Rule 5-206: Substitutions**.

COMPETITION INFORMATION

***ELIGIBILITY**

The USRowing Northwest Youth Championships are open to youth competitors from Alaska, Idaho, Montana, North Dakota, Oregon, South Dakota, Washington, and Wyoming that meet the membership requirements stated above. Crews from outside of the United States are not eligible to compete at this event.

DEFINITIONS

From December 1–31, 2025, USRowing conducted the annual Domestic Regatta Entry Packet Comment Period. As part of this process, a proposal was released outlining potential changes to the Youth Series Age Categories & Definitions. Following the formal review process, the 2026 & 2027 USRowing Youth Series will continue to adopt the Youth Definition and subsequent age categories that were in place in 2025. To learn more about the proposal and final decision, click [HERE](#). Thank you to everyone who shared feedback during this process.

YOUTH: A Youth is a competitor who in the current calendar year does not attain the age of 19, or who in the current calendar year does not attain the age of 20 and has been continuously enrolled in secondary school as a full-time student seeking a diploma. A Competitor thus ceases to be a Youth after December 31 of the year of their 18th birthday (U19), or upon completion of the 12th grade of secondary school, having been a full-time student within the year of their 19th birthday (U20). Athletes older than U20 are never eligible to compete as Youth.

U17: A competitor may compete in the U17 category until December 31 of the year of his or her 16th birthday.

U16: A Competitor may compete in the U16 category until December 31 of the year of their 15th birthday.

U15: A Competitor may compete in the U15 category until December 31 of the year of their 14th birthday.

SECOND VARSITY: (2V) The Second Varsity event is open to crews entered in addition to a program's Varsity entry or entries in the same category. A 2V entry represents the next eligible crew(s) after the Varsity boat(s), as permitted by the regatta's entry limits.

THIRD VARSITY: (3V) The Third Varsity event is open to crews entered in addition to a program's Varsity and Second Varsity entries in the same category. A 3V entry or entries represents the next eligible crew(s) after the Second Varsity boat(s), as permitted by the regatta's entry limits.

UNAFFILIATED: Crews entered as "Unaffiliated" are not considered to be representing a club or organization for this regatta. Competitors may compete as "unaffiliated" in single sculls only, as composite entries are not accepted for this event. "Unaffiliated" competitors must meet the individual membership requirements listed in this packet.

WOMEN'S EVENTS: This category is limited to athletes who were assigned a sex at birth of female.

MEN'S EVENTS: This category is for rowers of any sex and gender.

MIXED: Boat entries in this category must consist of 50% athletes of any gender and 50% athletes assigned as female at birth.

OPEN GENDER EVENTS: This category is for rowers of any sex and gender. Rowers who participate in this category may compete in either the Women's or Men's competition category if they qualify for such category.

NOTE: The intention behind this category is to create space for non-binary and gender diverse athletes to compete if they wish to do so outside of the binary events, but all are welcome to compete here.

2V/3V BOATS

Athletes entered in Second Varsity (2V) or Third Varsity (3V) events may compete in other Youth National Championships events, provided they do not race in the Varsity event of the same category. Varsity boat(s) should represent a program's fastest crew(s) at the time of entry submission, with the Second Varsity (2V) representing the next fastest crew(s) and the Third Varsity (3V) representing the next in order.

PARA & ADAPTIVE DEFINITIONS

Para and Adaptive events are those events designated for athletes with physical or visual impairments that meet the threshold for eligibility in the Paralympic sport classes of PR1, PR2, or PR3.

INCLUSION: A crew entered in the "Inclusion" event must be comprised of an equal mixture of Para/Adaptive and non-Para/Adaptive Rowers.

PR1: A Competitor who has a US or International PR1 sport classification.
([USRowing Para Classification Information](#))

PR2: A Competitor who has a US or International PR2 sport classification.
([USRowing Para Classification Information](#))

PR3 VI OR PR3 PI (VISUAL IMPAIRMENT OR PHYSICAL IMPAIRMENT): A Competitor who has a US or International PR3 sport classification. ([USRowing Para Classification Information](#))

CLASSIFICATION FOR PARA ATHLETES

All rowers racing in USRowing-owned Para events shall be classified. New Para rowers who have not yet been classified must have the required FISA Medical documentation submitted at least 45 days prior to the event.

Click [HERE](#) for an overview of the USRowing Para Classification Process, and fill out the Classification Request Form [HERE](#). Additional questions can be answered by contacting: Classification@usrowing.org

There will be no protests over any classified rower's sport class designation during a U.S. regatta.

Rowers may compete in a more functional sport class than their assigned sport class but not in a less functional sport class. For example, a Rower classified as PR2 may compete in PR3 Events, but may not compete in PR1 Events.

PARA & INCLUSION EVENTS

The Inclusion category is open to crews composed of 50% Para Rowers and 50% Non-Para Rowers.

In Inclusive events, the sport class requirement pertains only to the Para/Adaptive Rower.

At all times when on the water during practice, warm up, cool down, and competition from the opening day of the course until completion of the final Race of their competition, all Rowers who row in Para events must row with the prescribed equipment, which must be used according to the boat and sport class. Equipment in this context refers to hull type, strapping and pontoons. Only PR1 and PR2 have such requirements. There are no equipment restrictions or requirements for PR3.

The Inclusive events are listed as a combined event. Crews consisting of men, women, or mixed lineups may enter. Races may be separated by category if the number of entries necessitates separation.

The P1/PR2 Men's/Women's 1x events are listed as a combined event. Men's and women's crews classified as PR1 or PR2 are eligible to enter. Races may be separated by category if the number of entries necessitates separation.

New for 2026. To ensure that all athletes entering Para and Inclusive events at qualifying regattas for the 2026 USRowing Youth National Championships meet the appropriate classification guidelines, the events listed below will now require an application.

Events Requiring an Application:

- Men's/Women's Youth PR1 1x
- Men's/Women's Youth PR2 1x
- Mixed Youth PR2 2x
- Mixed Youth PR3 2x
- Mixed Youth Inclusive PR3 4+
- Men's/Women's/Mixed Inclusive Youth 2x

Application Process & Deadlines

Applications and event registrations will follow the deadlines posted on the RegattaCentral page for the respective qualifying regatta. The application is submitted through the standard registration process and is located under **"Registration Form"** on the event's RegattaCentral page.

All applications will be reviewed by the Regatta Director and the USRowing Para Classification team. The Classification team will then contact the individual who submitted the entry to confirm that the athlete(s) classification aligns with the event(s) entered.

For questions regarding the Para / Inclusive application process or classification requirements, please contact the USRowing Para Classification team at [**classification@usrowing.org**](mailto:classification@usrowing.org).

*YOUTH NATIONAL QUALIFICATION RULES

The USRowing Northwest Youth Championships offers 4 bids to the USRowing Youth National Championships events.

The bids will be distributed to the top 4 crews in each qualifying event that are eligible to qualify at the USRowing Northwest Youth Championships.

Should a crew placing in the top 4 of a qualification event decide not to attend the USRowing Youth National Championships, the bid will be rolled down to the next place crew in that event. Bids will not be rolled down past the Grand Final of the event.

Bid Acceptance / Denial / Roll Down Process:

All bids earned at official qualifying regattas for the 2026 USRowing Youth National Championships will be automated on the RegattaCentral platform. Thanks to strategic partnerships and system enhancements, various timing platforms will automatically upload race results, triggering the Youth Nationals bid notification system. This system will also manage roll-down bid allocations based on specific qualification requirements (ex. a 1V 8+ entry being necessary to qualify a 2V 8+).

Teams will be notified by email when a bid becomes available. To manage the bid, click the link in the email. From there, you can view the awarded bid and either accept or decline.

After receiving a bid to the 2026 USRowing Youth National Championships, the bid must be accepted within 3 days of the qualifying regatta (The Wednesday following the qualifying championship by 11:59 p.m. (local time to your qualifying regatta)). **The deadline for the USRowing Northwest Youth Championships is Wednesday, May 20 at 11:59 p.m. PDT.**

Once the initial bid offer period has closed for all winning bids, USRowing and RegattaCentral will notify the next-place team in the Grand Final of that event via email if they are eligible for a roll-down bid. These teams will have 24 hours to accept the bid through RegattaCentral. If the bid is not accepted within that 24-hour window, it will continue to roll down to the next eligible team in the Grand Final.

- All crews from a given organization must qualify at the same qualification regatta.
- Only crews competing in Youth National Championship qualifying events are eligible to receive bids.
- Crews competing in non-Youth National qualifying events are ineligible to receive automatic bids.
- Crews competing in non- Youth National Qualifying events are ineligible to petition to receive bids based on the results of non-qualifying races.

Full rules regarding qualification for the 2026 Youth National Championships will be available in the Youth National Championships event entry packet.

Regatta Declaration

When completing registration on [RegattaCentral](#) for a USRowing Youth National Championship qualifying regatta, your coach or team representative will be given the choice to declare the club's official qualifying regatta. The declaration deadline for the USRowing Northwest Youth Championships will be May 5.

All teams must submit a declaration form to be eligible for the 2026 USRowing Youth National Championships.

The following regattas are the 2026 Youth National Championships qualifying regattas:

USRowing Owned Youth National Qualifying Regattas:

- USRowing Southwest Youth Championships
- USRowing Central Youth Championships
- USRowing Mid-Atlantic Youth Championships
- USRowing Southeast Youth Championships
- USRowing Northwest Youth Championships
- USRowing Northeast Youth Championships

USRowing Partner Youth National Qualifying Regattas:

- Stotesbury Cup Regatta
- Midwest Junior Rowing Championships
- Midwest Scholastic Rowing Championships
- New York State High School Championships
- New England Interscholastic Rowing Championships

REGIONAL CHAMPIONSHIP RULES

MEN'S/WOMEN'S 2V 8+ / 2V 4X

MEN'S/WOMEN'S YOUTH 2ND 8+ EVENT DEFINITION: A team entered in the Youth 2nd 8+ event must also enter and race a Youth Varsity 8+

MEN'S/WOMEN'S YOUTH 2ND 4X EVENT DEFINITION: A team entered in the Youth 2nd 4x event must also enter and race a Youth Varsity 4x

YOUTH NATIONAL QUALIFICATION RULES

MEN'S/WOMEN'S 2V 8+ / 2V 4X

MEN'S/WOMEN'S YOUTH 2ND VARSITY 8+ EVENT DEFINITION: A team entered in the Youth 2nd Varsity 8+ event must also qualify, enter, and race a Youth Varsity 8+ at the Youth National Championships. Please refer to substitution rules 5-206 in the USRowing Rules of Rowing for a full breakdown of substitution rules.

MEN'S/WOMEN'S YOUTH 2ND VARSITY 4X EVENT DEFINITION: A team entered in the Youth 2nd Varsity 4x event must also qualify, enter, and race a Youth Varsity 4x at the Youth National Championships. Please refer to substitution rules 5-206 in the USRowing Rules of Rowing for a full breakdown of substitution rules.

AFFILIATION

Athletes competing in any USRowing Youth National qualifier and/or the USRowing Youth National Championships must have affiliation with only one rowing program, between January 1 and the end of the Youth National Championships of the current calendar year. The athletes affiliation is with the program in which they are registered as of the first competition during the spring season. This includes USRowing registered and non-registered regattas, but does not include indoor events. Athletes cannot compete with/for two separate programs at any point between January 1 and the end of the Youth National Championships of the current calendar year.

EXCEPTION: Athletes who are members of a junior rowing club existing as a composite of athletes with no stand-alone high school rowing program may row as a single (1x) in a regatta under the name of their school where they are not permitted to enter as "unaffiliated." When permitted, a single (1x) competing as "unaffiliated" is not considered to be representing an organization, and therefore would remain in compliance with the affiliation requirement listed above. Unaffiliated athletes must still meet all USRowing compliance and membership requirements. For the purposes of qualifying for the USRowing Youth National Championships in an individual event, the athlete must still represent the club (entered under the club's name) with which the athlete began the season.

If athletes wish to compete in a team event under the name of their school with an established high school rowing program rather than as a club, USRowing organizational membership is required for that school for that purpose and the athletes must compete as this organization the entire spring season.

Masters Program Exception: A Youth athlete is allowed to compete with a Masters Rowing Program between January 1 and the end of the Youth National Championships of the current calendar year, and it will not interfere with the Affiliation rule.

COMPOSITE ENTRIES

Composite entries are not accepted at the USRowing Northwest Youth Championships.

Crews, with the exception of single sculls (1x), wishing to compete with one or more “Unaffiliated” rowers would have to enter as a composite crew, and are therefore not eligible to compete.

RULES

USRowing's 2026 Rules of Rowing will govern this event. An online version is available [HERE](#).

USRowing licensed referees will officiate the event to ensure fairness and safety. The following rules will be waived for this event:

- Rule 3-104 Minimum Weight of Boats
- Rule 3-202 Oars, uniform throughout the crew
- Rule 4-105.1 Coxswain's Weight
- Rule 4-106 Weighing of Competitors

UNSPORTSMANLIKE CONDUCT

The 2026 USRowing Northwest Youth Championships does not tolerate unsportsmanlike conduct and follows the USRowing Rules of Rowing guidance for the act.

If you or one of your athletes witnesses unsportsmanlike conduct of any kind, please refer to the [USRowing Code of Conduct](#) on how to escalate the matter.

***TIME TRIAL PROCEDURES**

Time trials will be conducted over a 1,900-meter course.

Bow assignments for the time trials in Youth Nationals qualification events will be seeded by the Northwest Youth Coaches Council. The goal is to have the faster crews assigned to earlier bow numbers in each event.

A marshal will be positioned near the start to direct crews to enter the course. Crews are responsible for staying in numerical order, staying behind crews with lower numbers and in front of crews with higher numbers.

Odd number crews will race in lane 3, and even number crews will race in lane 4. Due to fairness of the course, USRowing reserves the right to change the time trial lanes if needed.

BOW NUMBERS

Bow numbers for time trial heats will be distributed to each crew with their athlete credentials during the on-site registration hours. Crews must collect their bow numbers from the USRowing registration desk before trying to launch for time trials.

*PASSING

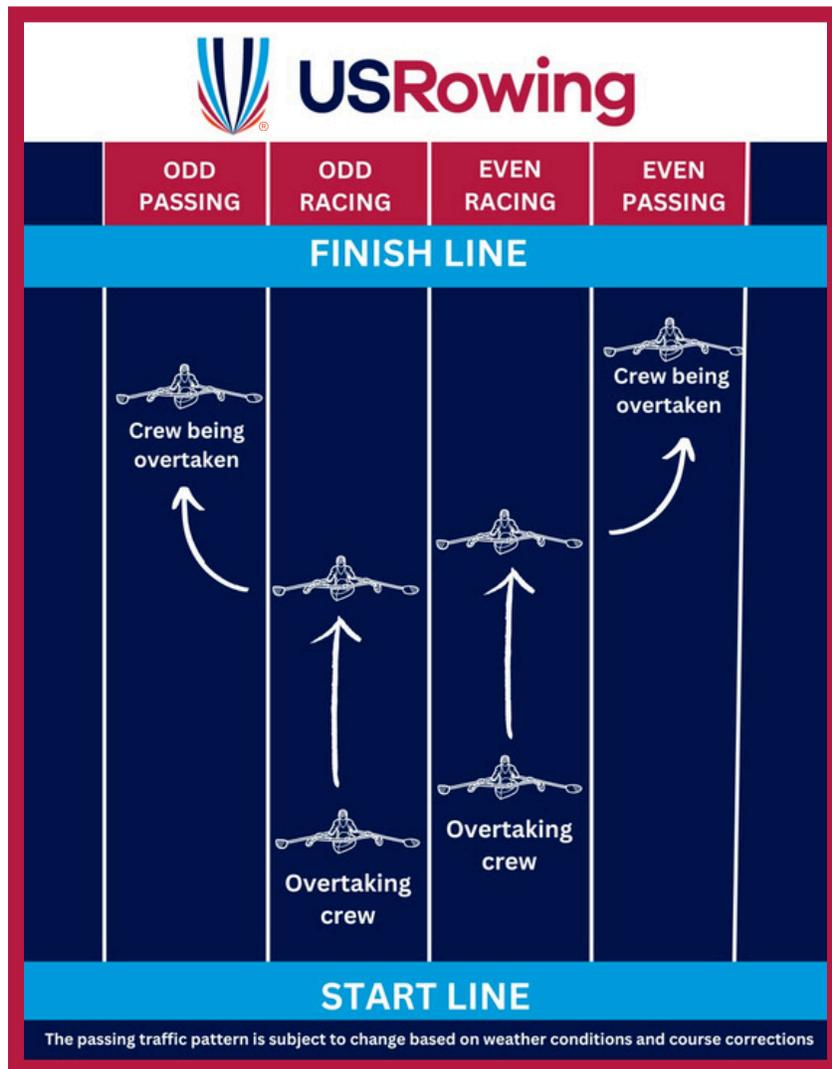

A crew being overtaken must yield to the outside lane to allow the overtaking crew to pass. Crews racing in lane 4 would move to lane 5, and crews racing in lane 3 would move to lane 2.

A crew is deemed to be overtaking another crew when it has moved to within one length of open water of the crew ahead.

In the case of interference on the water, please reference rule 2-406 Resolving Interference.

Referees will give instruction in accordance with the USRowing Rules of Rowing.

Please see the passing procedures below.

BROKEN EQUIPMENT

A crew experiencing broken equipment during the race should move to the outside lane, or the lane that the referee directs the crew to.

SEEDING

Bow assignments for the time trials in Youth Nationals qualification events will be seeded by a poll sent to all registered clubs for the 2026 USRowing Northwest Youth Championships.

Coaches will seed only the events their club has an entry in. Results of the poll will be compiled by the Northwest Youth Coaches Council for final seeding. The goal is to have the faster crews assigned to earlier bow numbers in each event. **Additional details and the full timeline for the coaches poll will be released in April 2026.**

The top 8 crews will be seeded for the 2026 USRowing Northwest Youth Championships. All crews after the top 8 will be randomly seeded.

Non-Qualifying events will be seeded randomly, with the "A" crews seeded randomly first, followed by a random draw of the "B" crews from each organization.

WEIGH-INS

There will be no athlete or boat weigh-ins at the 2026 USRowing Northwest Youth Championships.

*PROGRESSION

For Youth National Championships Qualification Events Only

Entries	Time Trial	Advancing to A final	Semifinals	Advancing in each Semifinal	Final D*	Final C*	Final B	Final A
1 - 7	1	7	-	-	-	-	-	7
8 - 13	1	6	-	-	-	-	7	6
14	1	7	-	-	-	-	7	7
*15-19	1	6	-	-	-	7	6	6
*20	1	6	-	-	-	7	7	6
*21	1	7	-	-	-	7	7	7
*22+	1	6	-	-	7	6	6	6

Each crew is responsible for knowing the progression of their event.

*A & B finals will be held for all events; C&D finals will be held if schedule allows. **A tentative schedule will be released after the standard entry deadline on Monday, May 11, 2026.**

The schedule and progression will not change after 9:00pm of the evening before racing.

IMPORTANT: Once a boat has started the progression, it must race through as many stages of that progression for which it qualifies. Failure to race in a semifinal or final for which a boat qualifies may result in that team forfeiting the right to race in that event at the subsequent year's regatta.

EQUIPMENT

All equipment used in competition must meet the USRowing Rules of Rowing requirements for equipment, with the exception of the waived rule listed above. Each organization is responsible for ensuring that their equipment meets these standards.

USRowing will provide bow numbers, which will be given to crews as they pass through the Control Commission or at the USRowing registration desk.

Any equipment not meeting these standards, or judged to be unsafe by a USRowing official, will not be allowed onto the water.

DATA-READING DEVICES

Data-Reading oarlocks are not permitted at the 2026 USRowing Northwest Championships, unless the batteries are removed from the oarlock and stay removed from the time a boat launches to when they recover.

OUTSIDE ASSISTANCE & COMMUNICATIVE DEVICES

The 2026 USRowing Northwest Youth Championships follows rule "2-409 Outside Assistance" from the Rules of Rowing. Crews are prohibited from communicating with a coach using an aided voice, once they leave the launch docks.

MEDALS & TROPHIES

Medals will be awarded to the first, second, and third-place finishers in each Grand Final, including non-qualifying events.

RETURNING TROPHIES: Crews awarded USRowing Northwest Youth Championship Trophies in 2025 should deliver the trophies to the Awards Tent by Friday at 8:00 a.m. Any organization that does not return a trophy may be barred from racing Friday, Saturday or Sunday until the trophy is produced.

LOST OR DAMAGED TROPHIES: If the trophy is lost or damaged, it is the responsibility of the club to purchase a replacement trophy and engrave with all winners beginning with 2003.

TEAM POINT TROPHIES

USRowing is using a standardized team point tracking system across all Youth Regional Championship events. This system will ensure consistency in how team points are calculated and awarded throughout all regionals. **Please note that team points will only be calculated for Youth National qualifying events.** All boats in a final contribute to the team's points, even if multiple boats from the same club are in the final.

- **OVERALL TEAM POINTS TROPHY:** Awarded to the team with the highest combined point total across both Men's and Women's events.
- **MEN'S TEAM POINTS TROPHY:** Presented to the team with the highest point total for Men's events.
- **WOMEN'S TEAM POINTS TROPHY:** Presented to the team with the highest point total for Women's events.
- **EFFICIENCY TEAM POINTS TROPHY:** Awarded based on aggregate points received towards the Overall Point Trophy with the fewest number of registered competitors, with a required minimum of three competitors. The efficiency rating will be calculated by dividing the total points for each club from the Overall Point Trophy by the number of registered competitors from the corresponding club.
- **SCULLING POINTS TROPHY:** Presented to the team with the highest point total in Sculling events.

TRAILERS & BOAT STORAGE

Trailer Arrival

Trailers may arrive during the following times, when there will be a parking attendant available. **Contact Jamie Phelps (541) 543-8896 or pvra.northwest@gmail.com** for outside appointments.

- **Wednesday May 13: BY APPOINTMENT REQUEST ONLY**
- **Thursday May 14: 12:00 pm - 8:00 pm (the park will be locked at dusk, trailer may not enter after dusk)**
- **Friday May 15: 6:30 am – 9:30 am**

***Please note that overnight security starts on Thursday, May 14.**

Trailers must enter the park through the main entrance where the tollbooth is located. Follow the Trailer Parking signs and take the road to the right, to the Trailer Parking lot entrance, where you will be issued a Trailer Parking Permit and directed to a spot.

Only vehicles with the Trailer Parking Permit will be allowed to enter this parking lot. The south exit from the parking lot will remain open throughout the regatta. However, the teeth will be up. Please do not try to enter the trailer lot through this entrance.

TEAM SETUP INFORMATION

Teams may begin setting up equipment in the park beginning at 12:00 pm on Thursday.

Teams will select boat and tent space when on site – space is not being marked out or reserved by the regatta organizers. There is plenty of space for all, but please keep your boat areas compact. You may have a few pop up 10X10 tents in your boat areas for shelter from the elements, otherwise all team tents should be in the Team Tent area in the North field near the Eagle Shelter. Larger tents are not allowed in the boat storage areas.

You may contact Jamie Phelps (541) 543-8896 or pvra.northwest@gmail.com if you would like to reserve a tent rental. If you reserve your own tent, please schedule for the tent to be set up on Wednesday May 15th at 12:00 pm and send the confirmation details to Jamie Phelps at pvra.northwest.com so that we are aware of all vendors coming to the park. You must meet your own vendor if you don't reserve through PVRA.

Oar Corral

The "Oar Corral" for temporary storage of oars during launching is located next to the beach, near the control commission. Crews should not leave oars on the beach after landing.

PARK GUIDELINES

Park Security

Security will be provided at the park from 6:00 pm to 6:00 am on Wednesday, Thursday, Friday and Saturday evenings. However, PVRA, USRowing, and regatta organizers will not be held responsible for lost, stolen, or damaged equipment. At the end of each day, be sure that food is stored away (critters come out at night!) and that tool boxes and valuables are locked up and stored out of the open.

Trash & Dumpsters

Please be sure to comb your team tent and boat areas for trash at the end of each day of the regatta, and deliver your trash to the large dumpsters in the North parking lot (please do not overflow the small dumpsters in the park). Teams that fail to clean up around their team tent and boat storage area will be assessed a park fine for not doing so.

Water

All available water spigots are potable. There is a water spigot available at the North Eagle Shelter and at the Food Vendor Area. Please be aware that, due to power outages or contamination, water might not be available at the venue. We suggest that you bring enough water for your team in case we experience water issues at the park.

Pets

NO DOGS ARE ALLOWED IN THE PARK. From April through October, dogs are forbidden in the area of Vancouver Lake Park where we hold regattas. Regatta participants who violate this rule jeopardize future rowing events at the park. This rule will be strictly enforced. Please do not bring your dog or you will be asked to leave.

Vehicle Paths

Please drive only on marked roads. The Park STRICTLY PROHIBITS driving on the grass or the beach for ANY reason. All equipment must be carried from the parking lot – hand trucks are available to borrow at the Volunteer Tent.

Bus Unloading/Loading

Buses are not allowed to enter the parking lot. Buses dropping off or picking up athletes should do so on the main road in the designated locations. Buses will also be allowed to park in the “Bus Parking Only” areas. Please obey the posted signage.

RV Parking and Camping

All RVs must park in the overflow lot. Overnight camping in the park is strictly prohibited, either in tents or RVs. Please do not contact the city or county to obtain special use permits. Park employees will patrol the park at night and anyone found camping or staying in an RV overnight will be asked to leave.

Irrigation

The Park maintains a regular irrigation schedule for all grass areas. The sprinklers may be turned on any evening during the regatta. Put away anything that might be damaged by getting wet.

HEALTH & SAFETY GUIDELINES

First Aid

All organizations are encouraged to provide first aid kits for their athletes, taking into consideration the special needs of their athletes. Please carry your emergency medical consent forms with you. Medical assistance will be available at the first aid tent, near the volunteer tent, in the vendor area. Crews requiring attention should go directly to the first aid tent.

Cleaning and Hygiene

Athletes, coaches, officials and any other paid or volunteer staff must practice good hygiene including washing their hands frequently and covering their sneezes and coughs. Wash hands often with soap and water for at least 20 seconds before and after activity, especially after touching shared objects or blowing your nose, coughing, or sneezing. Avoid touching your eyes, nose, and mouth. If soap and water are not readily available, use a hand sanitizer that contains 60-95% alcohol content. Cover all surfaces of your hands and rub them together until they are dry. Athletes should not share water bottles, uniforms, towels, or snacks and should not spit (saliva, sunflower seeds, etc.). Teams should provide handwashing or hand sanitizing stations in their team areas. Additional handwashing and sanitizer stations will also be available throughout the park at the restrooms.

PRACTICE & ADDITIONAL INFORMATION

PRACTICE

Practice will not be available at the 2026 USRowing Northwest Youth Championships.

EVENT DRONE POLICY

In accordance with USRowing's drone policy, anyone interested in utilizing a flying drone at the regatta venue must receive approval from USRowing and the Local Organizing Committee. If approved by USRowing the Drone pilot must send their license for approval from State Parks

To request approval, contact competition@usrowing.org for more information.

Unapproved drones are not permitted anywhere on the regatta venue. Use of unapproved drones may result in penalties to the associated crew, such as exclusion, and the operator may be subject to removal from the venue.

HOTEL & LODGING

New for 2026! During the registration process of RegattaCentral for the 2026 USRowing Northwest Youth Championships, USRowing will collect a few brief lodging details. These questions help us provide accurate reporting to our County and Convention & Visitors Bureau (CVB) partners, which in turn allows us to secure the best possible grant and marketing support for the event. Thank you for your support!

- o Club or Organization Name:
- o Are you staying in paid accommodations?
- o Type of accommodations (Hotel / Motel, Airbnb / VRBO / Vacation Rental, N/A - not a paid accommodation)
- o If vacation rental, please provide full address below. If hotel/motel, please put "N/A"
