

LOOKING TO FUNDRAISE?

Turn your team spirit into real dollars. Through our Volunteer Giveback Program, local non-profit groups can earn cash back for supporting two select sporting events in the Ann Arbor area. It's a high-energy way to rally your crew, be part of the action, and bring meaningful funding back to your organization.

HOW IT WORKS

Groups can earn \$500 once they reach a **combined 50 volunteer hours across the two events**, with an additional \$250 awarded for every 25 hours volunteered beyond that.

50 hours =
\$500

After the initial
50 hours, every
25 hours = \$250
