RETURN TO ROWING DAY

Welcoming Former Rowers Back to the Boathouse

Return to Rowing Day invites you to reconnect with the sport, your local club, and the rowing community, no matter how long it has been since you last rowed.

Hosted by rowing clubs across the country, Return to Rowing Day is a relaxed, low-pressure opportunity to get back on the water, revisit the basics, and enjoy time at the boathouse. Whether you rowed in high school, college, or later in life, you are welcome to join.

Activities include a boathouse tour, a short erg session, some time back in the boat, and time to reconnect with fellow rowers.

**Once a rower, *always* a rower.
We hope you will join us!**
