USROWING SMALL BOAT NATIONAL CHAMPIONSHIPS PRESENTED BY THE MCNABB FAMILY

REGATTA ENTRY PACKET

Welcome to the 2026 USRowing Small Boat National Championships Presented by the McNabb Family

USRowing is excited to announce the inaugural USRowing Small Boat National Championship Presented by the McNabb Family, a reimagined national event that will bring together the country's top collegiate, senior, and Para athletes for two days of championship racing on November 14-15, 2026, at Mercer Lake in West Windsor, N.J.

Formerly known as the Fall Speed Order, the event has traditionally served as an evaluation opportunity for senior athletes pursuing national team selection. In recent years, however, the regatta has attracted some of the nation's top collegiate programs, including crews from Dartmouth College, Harvard University, and the University of Washington. Building on that momentum, USRowing has transformed the event into a true national championship while continuing to support the U.S. High Performance pathway.

Please review the packet in full, as it contains essential details regarding entries, rules, events, and eligibility requirements, venue logistics, and policies governing the regatta. All crews participating in the 2026 USRowing Small Boat National Championships Presented by the McNabb Family are responsible for understanding and complying with the information outlined in the packet.
